ABOUT ME

My name is Nicolò Rossi, born in Modena on 28/10/2000. I am attending the course of Artificial Intelligence engineering in Modena, I chose this path because I think it is a field where we have not yet understood the boundaries and I have always been a very curious guy.

Nicolò Rossi

STUDENT

EDUCATION

HOCHSCHULE FÜR TECHNIK STUTT GART

2025 - present

Erasmus+

UNIVERSITY OF MODENA AND REGGIO EMILIA

2023 - present

MSc of Artificial Intelligence Engineering

2019 - 2023

Bachelor's Degree in Computer Engineering 94/110

ISTITUTO DI ISTRUZIONE SUPERIORE "PRIMO LEVI"

2014 - 2019

Diploma Liceo Scientifico 76/100

WORK EXPERIENCE

2025 - present

Thesis Internship - Worker on AI system / IT Office

Siti B&T Group s.p.a - Formigine(MO)

2022- 2024

Summer Internship - Worker on IT System / Administration Office

Rossi Carlo meccanica S.r.l - SPilamberto(MO)

2017- 2020

Summer Internship - Worker on CNC machines / Production

Rossi Carlo meccanica S.r.l - SPilamberto(MO)

SKILLS

- Ability to work effectively in a team environment
